The Methodist Church has made a commitment to be a Justice Seeking Church. This builds on a long and impactful history of engaging in social action and pursuing social justice. There are six Principles for Justice that reflect our theology and direct our actions. At the core of these principles is God's love for all people. They offer a focus to our commitment in seeking transformation of the world and are outworked in the Priorities for Justice. There are five priorities that are tackling inequality and poverty, enabling a flourishing environment, seeking justice for refugees, opposing discrimination, and pursuing peace. Read more on Methodist website.

Prayer Cards are also available on the table in the welcome area.
